. @DanSpehler @CBS4Indy @GovPenceIN Looks like it could have been taken in 1815, not 2015.... Hey kinda just like the bill itself.

@AmandaRakes @DanSpehler @GovPenceIN Separation of church and state; looks more like a Joining of the two! No media allowed? What's to hide?

@DanSpehler there's another version with lobbyists in the picture. Guess they didn't release that one to the media.

@DanSpehler @FOX59 This will be the only picture of @GovPenceIN that will exist in his "legacy" and it will not be a good one. 🙄 #sodumb

@DanSpehler @GovPenceIN I do not see any Muslim clerics, were they not invited to the signing? Why?
